

PHOKWANE LOCAL MUNICIPALITY

SUPPLY CHAIN MANAGEMENT

QUARTERLY REPORT

OCTOBER - DECEMBER 2017

1. Introduction

Integrated Supply Chain Management aims to add value at each stage of the procurement process, from demand of goods and services to their acquisition. Managing the logistics process and finally after use to their disposal. In doing so SCM processes addresses deficiencies in the current practice related to procurement and contract management. The following report covers the period between October - December 2017. Regulation 6 (3) of the SCM Regulations requires the municipality to report the implementation of SCM Policy to council in order to strengthen Council’s oversight role and hence we report the following activities carried out on the 2nd Quarter of 17/18 financial year.

2. Policy

The latest reviewed policy in use was adopted on 31 May 2017 for 2017/2018 under (*Ress: 58/2016*).

3. Gifts register

Municipalities must keep a register of gifts above the threshold of R350.00. This register is to protect both the individuals and the institution against corrupt activities and gift givers that do so in order to get privilege treatment over others or either to blackmail the officials in order to get what they want.

- No gifts reported for the month of October, November and December 2017.

4. Staff Component

The staff complement of SCM unit is as follows: (1 x Demand officer, 2 x Acquisition officers (orders and bids), 2 x financial interns, one Asset Management officer, store man and store assistant)

5. Support from Treasury

No formal or informal training was attended by any SCM official.

6. Procurement plan

The municipal 2017/2018 financial year procurement plan was drafted and by the end of this quarter the plan was not yet approved, however 90% of the capital expenditure of this financial year is work in progress and it’s only contracts with payments that needs to be managed.

7. Risk management

No newly identified risk on procurement for the previous quarter.
